Müller Kids Corner Butterflies Strawberry Precautionary Recall

Müller Yogurt & Desserts is recalling a batch of its 4 pack Müller Kids Corner Butterflies Strawberry yogurt.

This is a precautionary measure. The action is being taken because of the potential presence of a small puck shaped disc in one pot of yogurt from the batch. The disc is pink in colour and measures 3cm by 1cm and is used to test systems on our production line which are in place to protect product quality.

The batch was manufactured at our facility in Market Drayton, Shropshire and with the exception of the single pot which contains the disc it should be stressed that all other pots from the batch are unaffected and entirely safe to eat.

No other Müller Yogurt & Desserts products are known to be affected.

The FSA has issued a Product Information Recall Notice.

The product being recalled is:

Product: 4 pack Müller Kids Corner Butterflies

Brand: Müller Kids Corner

Pack size: 4x135g

Best Before: 27.4.16

Please contact us at:

Email: consumers@muller.co.uk

Address: Müller Yogurt & Desserts, Shrewsbury Road, Shropshire, TF9 3SQ

This is an isolated incident, and an extensive investigation by Müller Yogurt & Desserts Quality Team is under way.

Müller UK & Ireland

Müller UK & Ireland is wholly owned by the Unternehmensgruppe Theo Müller. It employs around 10,000 people in a business which comprises two distinct business units: Müller Milk & Ingredients and Müller Yogurt &

Desserts.

Based in Market Drayton, **Müller Yogurt & Desserts** is the UK's leading yogurt manufacturer, responsible for major brands such as Müller Corner, Müllerlight and Müller Rice. It also produces, at production facilities in Minsterley near Shrewsbury, chilled desserts including Cadbury Bubbles of Joy, Pots of Joy, Layers of Joy and Twin-pot products under licence from Mondelez International.

Müller Yogurt & Desserts also supplies the UK private label yogurt market from a state of the art yogurt facility in Telford, Shropshire.

Müller Milk & Ingredients aims to be the biggest and best fresh milk and ingredients business with a network of dairies and depots servicing customers throughout the country, producing skimmed, semi-skimmed, whole, and flavoured milk products for brands such as Black & White, The One, freshlo and FRijj . It also has the capacity to produce salted, unsalted and lactic butter each year for both the domestic and international markets.

The acquisition of Dairy Crest's dairy operations in December 2015 marked a milestone in Unternehmensgruppe Theo Müller's global growth strategy and in particular its aspiration to place much more emphasis on end to end supply chain innovation, adding value to the UK dairy category.
